Nebraska PF & QF Chapters

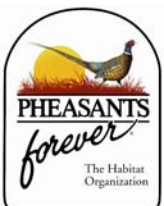

No-till Grass Drills

Pheasants Forever's 63 no-till grass drills are available throughout the state for landowners to use when establishing wildlife habitat. These drills have been obtained with local chapter funds and grants from the Nebraska Environmental Trust and the Nebraska Game & Parks Commission.

No-till grass drills are an important piece of equipment needed to establish the special seed mixtures that provide the best wildlife habitat. For special pricing on wildlife habitat mixtures, contact Pheasants Forever for high quality seed, great service and the best prices around. All mixtures are designed by wildlife biologists to maximize your wildlife habitat benefits.
