

The Outdoor Family Events Trailer was created through

a partnership of Pheasants Forever and the Nebraska Game and Parks Commission that provides for a Community Based Outdoor Family Event. The intent is to provide a turn-key ready, 1-day event to be conducted with broad community involvement and built around objectives and activities that advocate hunting and other outdoor activities.

The event will be championed by local Pheasants Forever and Quail Forever Chapters, but supported by NGPC. Every effort will be made to engage other local groups including: churches, scout and service organizations, local law enforcement, etc. Chapters will be encouraged and supported in a manner that will minimize cost and effort at the local level.
